Attention: Application Entry Point

Dear Sir/Madam,

**Annual Report for DIR138 for the year 1 July 2019 to 30 June 2020**

I refer to the requirements of the above licence (*viz.* Condition No. 20), to provide the OGTR with an annual report by the end of September each year for the previous financial year.

This letter provides a consolidated report on activities under licence DIR138 for annual reporting purposes over the period 1 July 2019 to 30 June 2020.

The following plantings were made of *Brassica napus* containing any of the approved events under DIR138 in Australia during the stated period:

One (1) hectare in New South Wales  
One (1) hectare in Victoria  
One (1) hectare in Western Australia  
Ten (10) hectares in South Australia

No adverse impacts, unintended effects, or new information relating to risks to human health and safety or the environment caused by the GMOs or material from the GMOs is available to report as a result of dealings with *B. napus* events under licence DIR138.

Yours sincerely,

[Redacted Signature]
